## ABOUT US

American National Services, established in 2018, is a physician-run, minority-owned, Service-Disabled Veteran-Owned Small Business specializing in IV pharmaceuticals, medical supplies, and eyeglass manufacturing. Trusted by federal and state agencies, we deliver critical medical solutions with a 100% delivery rate and an "Exceptional" CAPRS rating.

Our CEO, a former special operations infantry soldier with the elite 75th Ranger Regiment, brings unparalleled professionalism, discipline, and perseverance to our operations. Together with our physician-led leadership team, we combine medical expertise, military precision, and business acumen to enhance patient care and operational efficiency.

Our mission is simple: We Make Patient Care Easier.
